Fall 2022

someone starts talking, realizes they don't know what they're saying, then strikes	secretary laptop battery dies	queuer writes something longer than "Q"	remembering who said something and quoting them directly	person adds themselves back to queue just after finishing
person talking loses their train of thought	"I know this has been said already but..."	two strikes in a row	forgetting who said something	someone references a previous discussion
straw poll	discussion about voting method	FREE	queue longer than 10	someone makes three or more different points at once
zoom failure	call for people who haven't spoken to talk more	over 30 second pause in discussion: no one on queue	a brand new word is invented (e.g. virtuality)	someone on queue talks for less than ten seconds
opinionated llama	talking for over a minute	snarky comment	the words "plus plus" are used	"I'll put myself on the queue to finish"
