Fall 2022

remembering who said something and quoting them directly	opinionated llama	zoom failure	queuer moves the line down after writing it	someone starts talking, realizes they don't know what they're saying, then strikes
discussion about voting method	someone references a previous discussion	queue longer than 10	"I'll put myself on the queue to finish"	someone on queue talks for less than ten seconds
call for people who haven't spoken to talk more	snarky comment	FREE	two strikes in a row	"I know this has been said already but..."
someone makes three or more different points at once	talking for over a minute	straw poll	forgetting who said something	queuer writes something longer than "Q"
secretary laptop battery dies	the words "plus plus" are used	person adds themselves back to queue just after finishing	over 30 second pause in discussion: no one on queue	person talking loses their train of thought
