call for people who haven't spoken to talk more	secretary laptop battery dies	someone starts talking, realizes they don't know what they're saying, then strikes	straw poll	forgetting who said something
queue longer than 10	the words "plus plus" are used	talking for over a minute	queuer writes something longer than "Q"	discussion about voting method
over 30 second pause in discussion: no one on queue	person talking loses their train of thought	FREE	someone on queue talks for less than ten seconds	snarky comment
person adds themselves back to queue just after finishing	"I know this has been said already but..."	someone uses the wrong animal	a brand new word is invented (e.g. virtuality)	someone makes three or more different points at once
opinionated llama	"I'll put myself on the queue to finish"	two strikes in a row	remembering who said something and quoting them directly	queuer moves the line down after writing it
