Fall 2022

queuer forgets a kerb	a brand new word is invented (e.g. virtuality)	call for people who haven't spoken to talk more	opinionated llama	the words "plus plus" are used
zoom failure	person talking loses their train of thought	queuer writes something longer than "Q"	someone references a previous discussion	someone on queue talks for less than ten seconds
queuer moves the line down after writing it	queue longer than 10	FREE	someone uses the wrong animal	remembering who said something and quoting them directly
"I know this has been said already but..."	forgetting who said something	someone starts talking, realizes they don't know what they're saying, then strikes	snarky comment	"I'll put myself on the queue to finish"
straw poll	over 30 second pause in discussion: no one on queue	secretary laptop battery dies	someone makes three or more different points at once	two strikes in a row
