Fall 2022

someone uses the wrong animal	snarky comment	opinionated llama	someone starts talking, realizes they don't know what they're saying, then strikes	call for people who haven't spoken to talk more
queuer forgets a kerb	queue longer than 10	a brand new word is invented (e.g. virtuality)	zoom failure	forgetting who said something
straw poll	queuer writes something longer than "Q"	FREE	the words "plus plus" are used	remembering who said something and quoting them directly
someone makes three or more different points at once	talking for over a minute	"I'll put myself on the queue to finish"	person talking loses their train of thought	queuer moves the line down after writing it
secretary laptop battery dies	discussion about voting method	"I know this has been said already but..."	over 30 second pause in discussion: no one on queue	two strikes in a row
