talking for over a minute	discussion about voting method	queuer writes something longer than "Q"	queuer forgets a kerb	zoom failure
straw poll	someone starts talking, realizes they don't know what they're saying, then strikes	FREE	snarky comment	over 30 second pause in discussion: no one on queue
opinionated llama	person adds themselves back to queue just after finishing	the words "plus plus" are used	"I'll put myself on the queue to finish"	call for people who haven't spoken to talk more
someone uses the wrong animal	queue longer than 10	queuer moves the line down after writing it	a brand new word is invented (e.g. virtuality)	"I know this has been said already but..."
