Fall 2022

queuer moves the line down after writing it	forgetting who said something	person talking loses their train of thought	two strikes in a row	person adds themselves back to queue just after finishing
secretary laptop battery dies	"I know this has been said already but..."	straw poll	discussion about voting method	call for people who haven't spoken to talk more
talking for over a minute	someone uses the wrong animal	FREE	queuer writes something longer than "Q"	snarky comment
someone starts talking, realizes they don't know what they're saying, then strikes	queuer forgets a kerb	"I'll put myself on the queue to finish"	queue longer than 10	remembering who said something and quoting them directly
someone on queue talks for less than ten seconds	the words "plus plus" are used	someone makes three or more different points at once	a brand new word is invented (e.g. virtuality)	over 30 second pause in discussion: no one on queue
