Fall 2022

opinionated llama	the words "plus plus" are used	talking for over a minute	secretary laptop battery dies	someone makes three or more different points at once
discussion about voting method	forgetting who said something	over 30 second pause in discussion: no one on queue	someone on queue talks for less than ten seconds	straw poll
zoom failure	queue longer than 10	FREE	person talking loses their train of thought	queuer moves the line down after writing it
"I'll put myself on the queue to finish"	remembering who said something and quoting them directly	snarky comment	call for people who haven't spoken to talk more	two strikes in a row
a brand new word is invented (e.g. virtuality)	someone starts talking, realizes they don't know what they're saying, then strikes	queuer forgets a kerb	"I know this has been said already but..."	person adds themselves back to queue just after finishing
