queue longer than 10	someone starts talking, realizes they don't know what they're saying, then strikes	snarky comment	someone on queue talks for less than ten seconds	person adds themselves back to queue just after finishing
"I know this has been said already but..."	zoom failure	person talking loses their train of thought	opinionated llama	queuer moves the line down after writing it
queuer writes something longer than "Q"	secretary laptop battery dies	FREE	straw poll	someone references a previous discussion
a brand new word is invented (e.g. virtuality)	remembering who said something and quoting them directly	talking for over a minute	over 30 second pause in discussion: no one on queue	someone makes three or more different points at once
call for people who haven't spoken to talk more	someone uses the wrong animal	"I'll put myself on the queue to finish"	two strikes in a row	forgetting who said something
