Fall 2022

straw poll	two strikes in a row	remembering who said something and quoting them directly	forgetting who said something	someone on queue talks for less than ten seconds
over 30 second pause in discussion: no one on queue	discussion about voting method	someone references a previous discussion	someone starts talking, realizes they don't know what they're saying, then strikes	"I know this has been said already but..."
zoom failure	call for people who haven't spoken to talk more	FREE	person talking loses their train of thought	queuer moves the line down after writing it
queue longer than 10	talking for over a minute	someone uses the wrong animal	person adds themselves back to queue just after finishing	someone makes three or more different points at once
secretary laptop battery dies	"I'll put myself on the queue to finish"	queuer forgets a kerb	the words "plus plus" are used	a brand new word is invented (e.g. virtuality)
