Fall 2022

two strikes in a row	someone starts talking, realizes they don't know what they're saying, then strikes	someone on queue talks for less than ten seconds	the words "plus plus" are used	secretary laptop battery dies
snarky comment	queuer moves the line down after writing it	talking for over a minute	person adds themselves back to queue just after finishing	call for people who haven't spoken to talk more
discussion about voting method	someone makes three or more different points at once	FREE	queuer writes something longer than "Q"	"I know this has been said already but..."
someone references a previous discussion	opinionated llama	queuer forgets a kerb	over 30 second pause in discussion: no one on queue	person talking loses their train of thought
straw poll	a brand new word is invented (e.g. virtuality)	someone uses the wrong animal	"I'll put myself on the queue to finish"	forgetting who said something
