Fall 2022

two strikes in a row	forgetting who said something	queuer forgets a kerb	a brand new word is invented (e.g. virtuality)	zoom failure
the words "plus plus" are used	person talking loses their train of thought	snarky comment	queuer writes something longer than "Q"	straw poll
someone references a previous discussion	someone makes three or more different points at once	FREE	person adds themselves back to queue just after finishing	over 30 second pause in discussion: no one on queue
discussion about voting method	"I'll put myself on the queue to finish"	remembering who said something and quoting them directly	"I know this has been said already but..."	queue longer than 10
queuer moves the line down after writing it	talking for over a minute	secretary laptop battery dies	someone uses the wrong animal	someone on queue talks for less than ten seconds
