Fall 2022

a brand new word is invented (e.g. virtuality)	snarky comment	"I'll put myself on the queue to finish"	zoom failure	opinionated llama
person adds themselves back to queue just after finishing	someone makes three or more different points at once	discussion about voting method	the words "plus plus" are used	someone on queue talks for less than ten seconds
secretary laptop battery dies	over 30 second pause in discussion: no one on queue	FREE	call for people who haven't spoken to talk more	queuer forgets a kerb
queue longer than 10	two strikes in a row	person talking loses their train of thought	forgetting who said something	queuer moves the line down after writing it
straw poll	remembering who said something and quoting them directly	someone uses the wrong animal	talking for over a minute	someone starts talking, realizes they don't know what they're saying, then strikes
