Fall 2022

"I'll put myself on the queue to finish"	person talking loses their train of thought	straw poll	queuer writes something longer than "Q"	someone references a previous discussion
queue longer than 10	talking for over a minute	person adds themself back to queue just after finishing	a brand new word is invented (e.g. virtuality)	call for people who haven't spoken to talk more
over 30 second pause in discussion: no one on queue	"I know this has been said already but…"	FREE	discussion about voting method	opinionated llama
someone starts talking, realizes they don't know what they're saying, then strikes	snarky comment	remembering who said something and quoting them directly	queuer forgets a kerb	queuer moves the line down after writing it
someone uses the wrong animal	someone makes three or more different points at once	zoom failure	the words "plus plus" are used	forgetting who said something
